

A man with a beard and mustache is shown in profile, sneezing. His eyes are closed, and his mouth is open with his tongue sticking out. He is wearing a light-colored, short-sleeved polo shirt. The background is a soft pink color with a diagonal orange stripe in the top right corner. Numerous small white particles, representing germs or droplets, are scattered throughout the scene, particularly around the man's face and head.

LET'S STAY WELL!

Frequently clean hands by using soap and water.
If that's not possible, use alcohol-based hand rub.
Please cover your mouth, when coughing and sneezing.
