TECHNOPOLIS ÜLEMISTE – FLEXIBLE OFFICE SPACE IN ÜLEMISTE CITY, TALLINN

You can find our Tallinn campus at Ülemiste City, which is the largest smart city in the Baltic countries and the biggest privately-owned business campus in Northern Europe.

Ülemiste City is based in a prime location, with Tallinn Airport and the future Rail Baltica railway hub only a few meters away. You can easily access the campus by public transport from all the neighboring districts of Tallinn, while the city center and harbor are just a 10-minute drive away.

If you're ambitious and looking to scale your business, Technopolis Ülemiste is the right environment for you. Our staff will take care of your day-to-day practicalities and let you focus on what's most important: Growing your business. Some of the outstanding features of Ülemiste include a wide selection of meeting rooms, cleaning services, and a range of social and business events that are regularly held on the campus. From our campus you will also find a small office area, Technopolis HUB, which consists of 5 smaller offices for teams of up to 8 people.

Technopolis uses 100% carbon-neutral certified electricity on Ülemiste campus and most of the buildings on campus also hold international LEED certificates for energy and environmental conduct. Read more about Technopolis' sustainability.
