On the Kista campus, you can find two small office areas: one with 10 smaller offices for teams of up to 7 people, and a new HUB area that opened in the spring of 2025 with 24 smaller offices for teams of 1 to 12 people.

Both HUB areas are located in the Kista 2 building of our bright and inviting Technopolis campus which is easily accessible by car and public transport.

What's in it for HUB customers?

By choosing Technopolis HUB you get a private furnished office and access to a wide range of quality services. Our HUB areas in Kista offer services such as phone booths and rooms, kitchen and coffee zones as well as a lounge area to chill and mingle in. Cleaning, Wi-Fi, postal services and electricity are included in the rent and parking spaces in the garage can be rented.

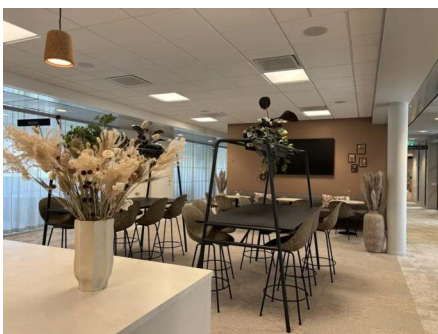

As a HUB customer, you get flexible terms and conditions. And should your business require flexibility, it is easy to change your office location within Technopolis.

Sustainability has been taken into account in the material choices of the HUB areas, and the Kista campus uses 100% carbon-neutral electricity and holds a BREEAM certification for its environmental and sustainability performance.
