TECHNOPOLIS RUOHOLAHTI – OFFICE SPACE WITH A SEA VIEW

Ruoholahti campus is known for its sea views and great location next to the western highway in Salmisaari. If your company is looking for office space with a vantage point in the Helsinki area, this option is bound to stand out. Near the Baltic Sea and only 10 minutes from the city center, this location also has good metro and bus connections.

Technopolis Ruoholahti has a vibrant atmosphere that carries over into a coffee shop and two popular restaurants, DIN Hiili and MIN, that are situated on campus. Inside, you will find meeting rooms, a reception area, and our staff who are always happy to help with your business needs. From our campus you will also find a small office area, Technopolis HUB, which consists of dozens of smaller offices for teams of up to 8 people. All customers are welcome to make use of the communal workspace in the lounge area, as well as the informal meeting spots outside the private office spaces.

The Ruoholahti campus is fully carbon-neutral in all energy consumption and all campus buildings also hold international LEED certificates for energy and environmental conduct. Read more about Technopolis' sustainability.
