Technopolis Peltola

Are you looking for a home for your company that will grow with your business? Welcome to Technopolis Peltola!

Office spaces in a central location

The Peltola campus is home place for high-tech experts. More than 50 businesses and more than 2,000 professionals in different sectors operate on the campus, and the neighbouring Kontinkangas campus complements the area with well-being and health technology businesses.

The Peltola campus is located in a prominent location along the motorway and is only two kilometres from the city centre of Oulu. The campus' excellent parking facilities make it easier to get there by car, and the campus also has good public transport links.

We'll adapt to your needs

Our high-quality office spaces adapt to your business needs: they can be designed to support hybrid working or collaboration, combined with a dedicated space, such as a laboratory, or fully tailored to your needs. Our in-house design team is at your service.

For small teams of up to 12 people, Technopolis Peltola offers a modern and popular HUB small office area where companies have their own offices and shared services at their disposal.

Service highlights

Our customers appreciate the campus' wide range of services, including a friendly reception, modern and flexible meeting rooms, a stylish sauna, excellent parking facilities for bicycles and cars, and services for their own office space, such as cleaning. Health services close to the office make everyday life smoother, and the Oulun Kruunu dental clinic operates on the Peltola campus.

The campus' popular lunch restaurant Myrsky also offers catering services and a café. The restaurant is also an excellent venue for corporate events.
