TECHNOPOLIS AVIAPOLIS – FLEXIBLE OFFICE SPACE NEXT TO HELSINKI-VANTAA AIRPORT

Technopolis Aviapolis provides a beautiful setting for companies to call home in the fast-evolving area of Aviapolis. Moving out of the international and vibrant atmosphere that surrounds the campus, you can instantly connect to the outside world with your own office in our modern and flexible workspace.

Aviapolis is known for its high customer satisfaction rate, with the campus being particularly popular and almost full. You can find impressive meeting rooms on the campus, including one in our rooftop sauna department. There's also seminar rooms, a gym, and the popular MIN Aviapolis restaurant to explore. That's not to mention the regular business events that are well-attended by a thriving community of interconnected professionals. From our campus you will also find a small office area, Technopolis HUB, which consists of several smaller offices for teams of up to 10 people.

The Aviapolis campus is fully carbon-neutral in all energy consumption and all campus buildings also hold international LEED certificates for energy and environmental conduct. Read more about Technopolis' sustainability.
