Technopolis Aviapolis

How would it sound to work in an energetic and international environment in Vantaa? Welcome to your company's new home, Technopolis Aviapolis.

Offices in the most accessible location in Vantaa

Technopolis Aviapolis offers representative and flexible office space close to Helsinki Airport.

The popular and comfortable Aviapolis campus is located in a developing area that is popular with businesses. Helsinki Airport has extensive flight connections all over the world, and the campus location is particularly convenient for those who commute with a car, as it is located in the immediate vicinity of Ring Road III and the Tuusula highway. The campus is also easily accessible by bus and train. The campus has excellent parking facilities for both cars and bicycles.

We'll adapt to your needs

Our high-quality office spaces adapt to your company's needs: they can be designed to support hybrid working or collaboration, combined with a dedicated space, such as a production space or showroom, or fully tailored to your needs. Our design team is at your service.

For small teams of up to 10 people, Technopolis Aviapolis offers a cosy and popular HUB small office area where companies have their own private office and shared services.

Service highlights

Our customers appreciate the campus' all-inclusive services, which include a respected and acclaimed reception service, well-equipped meeting rooms, a stunning sauna facility and modern gym, various health services and cleaning services for your office. The Jumbo shopping centre is just a five-minute drive from the campus, complementing the range of services.

The campus lunch restaurant MIN Aviapolis is popular and known for its delicious food. There are also two coffee shops and a self-service kiosk that is always open. The campus' high-quality catering services crown a successful meeting day.

Read why the customers on this campus recommend us

"A great solution overall. The most important factors are location (public transport and closeness to the airport), the services and the functionality and comfort of our office. The campus personnel provide service with a great attitude and professionalism."

NTG Road Ltd

"The cooperation with Technopolis has gone particularly well, as we have a common goal of being carbon-neutral by 2030. Working with them has been straightforward, and we have received very competent and good service from Technopolis. We truly feel that they genuinely care about their customers. I can warmly recommend Technopolis to companies that value sustainable solutions and good service."

TOMRA Ltd

"Services such as mail handling, reception, restaurant, gym and parking hall make our lives easier."

Helly Hansen Ltd
