OFFICE 284 M² | TECHNOPSIS OTANIEMI

A ready-to-move-in 248 m² activity-based office is available for rent at Technopolis Otaniemi in Espoo. Located on the 4th floor in the Innopoli 3 C building, the premises are fitted with a carpet and include several rooms and meeting rooms, as well as private kitchen and restroom facilities. The space also features its own server room with air-conditioning. Also the office is equipped with air conditioning to ensure a comfortable temperature year-round. A furnished floor plan is available, providing an overview of the workstation capacity and various work areas.

The space can be rented furnished, with workplace design and moving services to make your relocation easy.

Technopolis Otaniemi is located near the Aalto University metro station, along the light rail and numerous bus routes. In addition, Finland's busiest highway, Ring Road I, runs right next to the campus, and there are lots of parking spaces available on the campus.

Thanks to the wide range of services, you can focus solely on your business. Services on campus include friendly reception service, a diverse selection of meeting rooms, several high-quality restaurants and multiple well-equipped gyms. The campus also features hair salons, a dental clinic, a veterinary clinic and two car washes.

Contact us for more information and come over to see the space.

Technopolis Otaniemi

Could your company find its new home in innovative and energetic Otaniemi? Welcome to Technopolis!

Office space near Aalto University

Technopolis Otaniemi offers easily adaptable and efficient office space in Espoo's most innovative area. The campus' location close to Aalto University and VTT makes it particularly popular among research and innovation companies. In total, more than 200 companies from different fields operate on the campus.

Technopolis Otaniemi has excellent transport connections and parking facilities. The campus is easily accessible by bus, metro, light rail and by car from Ring Road I.

We'll adapt to your needs

The office spaces of the campus' Innopoli buildings adapt to your business needs: they can be designed to support hybrid working or collaboration, combined with a dedicated space, such as a laboratory or production space, or fully tailored to your needs. Our in-house design team is at your service.

For small teams of up to 10 people, Technopolis Otaniemi offers a cosy and popular HUB small office area where companies have their own private office and shared services.

Service highlights

Our customers appreciate the campus' all-inclusive services, which include a friendly and acclaimed reception service, versatile and functional seminar and meeting rooms, a newly renovated gym, five comfortable sauna facilities, good parking spaces for bicycles and cars and services for your own office space, such as cleaning. The campus also features two hairdressing salons.

Restaurants MIN Innopoli, Tastory, DIN Maari and DIN Otaniemi offer delicious lunches suitable for many tastes. In addition to lunch, the offering is complemented by cafeteria services and comprehensive catering services to increase the comfort of meetings. The campus also has a convenient 24/7 MIN market.

Read why the customers on this campus recommend us

"Everything has worked very well, and the services offered meet our needs. The personnel is competent and helpful. Our overall impression is that Technopolis is a great place to work. "

OpusCapita Solutions Ltd

"The entire process and flexibility. We weren't sure what kind of space we wanted, and we were shown a lot of different spaces. The reception service and the overall concept work really well and smoothly. We are a small startup, which means that our needs can change very quickly. However, at Technopolis we have the opportunity to switch to a larger or smaller space if necessary."

Group Brand 360 Ltd

"Everything works well, the location is great and we've been satisfied over the years. "

Petteri Järvinen Ltd

At Technopolis your office space change is smooth and effortless
