Read why the customers on this campus recommend us

"The cooperation has been smooth and everything has been handled quickly. "

Canon Ltd

"A truly functional concept as a whole. Things work and property management runs on its own, meaning that you don't have to take care of it yourself. Clean, adaptable and modern spaces."

Nordea

"Because the premises and, in particular, additional services are good. For example, the cleaning and postal services can be conveniently handled through Technopolis, so there's no need to purchase them separately from somewhere else. The location next to the railway station is excellent and easy to access."
