TECHNOPOLIS PELTOLA – OFFICE SPACE AMONG THOUSANDS OF INTERCONNECTED PROFESSIONALS

The modern office spaces at Technopolis Peltola are home to 60 companies that come from all sorts of different fields. Being in close proximity to Kontinkangas campus, which specializes in wellbeing and health technology research, has also led to many technical professionals basing themselves on Peltola campus.

Around 2,700 people can be found working on Peltola campus every day, which greatly contributes to its lively atmosphere. Located just 2 km from the city center and easily accessible by the freeway, the campus is popular among customers due to its selection of meeting, seminar, and workshop rooms that encourage stimulating communication. From our campus you will also find a small office area, Technopolis HUB, which consists of 22 smaller offices for teams of up to 12 people.

Technopolis Peltola is also home to a stylish sauna department and a restaurant Myrsky, which combine Nordic and world cuisine with more than a hint of playfulness.

The Peltola campus is fully carbon-neutral in all energy consumption and all buildings on campus also hold international LEED certificates for energy and environmental conduct. Read more about Technopolis' sustainability.
