Technopolis Linnanmaa

Are you looking for a location for your company where you can grow? Welcome to Oulu's largest office campus, where experts in different fields meet every day.

Office spaces in a community of thousands of professionals

The Linnanmaa campus offers flexible office spaces and is the place where Technopolis' story began. The campus is one of the world's first technology villages, and it is currently home to more than 250 companies. The campus is popular among companies in the security and defence industries, among others.

The popular Linnanmaa campus is located next to the University of Oulu, just a 10-minute drive from the city centre of Oulu. It is easy to get to the campus by bicycle, by bus and, in the winter, even by skiing via the nearby ski trail.

We'll adapt to your needs

Our high-quality office spaces adapt to your business needs: they can be designed to support hybrid working or collaboration, combined with a dedicated space, such as a production space, or fully tailored to your needs. Our in-house design team is at your service.

For small teams of up to 12 people, Technopolis Linnanmaa offers a popular HUB small office area where companies have their own office and shared services at their disposal.

Service highlights

Our customers appreciate the campus' comprehensive range of services. The services include a friendly reception, the city's widest range of facilities for meetings and training sessions, comfortable sauna facilities, excellent parking facilities for bicycles and cars and services for your own office space, such as cleaning. The campus also has a hair salon, a massage therapist and a dentist.

The campus has five high-quality lunch restaurants that offer options ranging from traditional Finnish dishes to international cuisine. The offering is complemented by the campus' cafés, self-service kiosks and high-quality catering services.

Read why the customers on this campus recommend us

"Technopolis has extensive experience in constructing offices and production spaces, which is a significant advantage for us. Their broad network of experts is highly beneficial especially for small and medium-sized companies. We strongly recommend Technopolis as a professional partner."

Detection Technology Plc

"The restaurant offering is particularly good. Overall, the best things are ease of use and the adaptability of the office spaces. We have also been able to customize our space and move from one space to another within the campus."

Vincit Plc

"Compared with other solutions I have worked with during my career, Technopolis provides a certain kind of ease. The whole package is so easy: you don't have to worry about different contracts, and everything works as a whole. The office space is good and, if necessary, it is also possible to move to a larger space. A perfect concept for us."
