OFFICE 464 M² | TECHNOPSIS LINNANMAA

A bright and move-in-ready third floor office premises available for lease at Technopolis Linnanmaa. The office space consists of several offices and workrooms, connected by a central spacious kitchen/lounge area. The space includes both larger open office/office spaces and several smaller rooms suitable as offices, meeting rooms or quiet work spaces. The stated square footage contains a share of the common areas. Linnanmaa campus offers a variety of services and there are up to four lunch restaurants along Elektroniikkatie.

The campus is located next to the University of Oulu, just a 10-minute drive from the city center. Public transport connections are also good, and nearby is the Ideapark shopping center. There are inexpensive parking spaces for customers in the building's courtyard, and guests can use free guest parking spaces in front of the main entrance.

Technopolis Linnanmaa

Looking for flexible office space on a thriving campus? Welcome to Technopolis Linnanmaa.

Technopolis Linnanmaa - Office space among thousands of professionals

You can find flexible office space and thousands of interconnected professionals at Technopolis Linnanmaa. The campus is home to 250 companies, 30 Technopolis properties, and the equivalent of 20 football fields in office space. From our campus you will also find a small office area, Technopolis HUB, which consists of 84 smaller offices for teams of up to 12 people.

Around 6,000 professionals from all kinds of industries work at Technopolis Linnanmaa, which makes it a great place to be if you want to network and make lasting connections. The campus is next to Oulu University and just 10 minutes from the city center by car, as well as being easily accessible by public transport. Ideapark Oulu shopping center is also located nearby.

When visiting Linnanmaa, you will find yourself at the beginning of the Technopolis story. The original campus was built in the early 1980s after being inspired by Silicon Valley, and it went on to become one of the first technology villages in the world. Since then, most of the campus has been renovated and an extension was added in 2000.

A versatile selection of services is also available on Linnanmaa campus; meeting rooms of different sizes, auditoriums, six restaurants, and three sauna departments.

Read why the customers on this campus recommend us

"Technopolis has extensive experience in constructing offices and production spaces, which is a significant advantage for us. Their broad network of experts is highly beneficial especially for small and medium-sized companies. We strongly recommend Technopolis as a professional partner."

Detection Technology Plc

"The restaurant offering is particularly good. Overall, the best things are ease of use and the adaptability of the office spaces. We have also been able to customize our space and move from one space to another within the campus."

Vincit Plc

"Compared with other solutions I have worked with during my career, Technopolis provides a certain kind of ease. The whole package is so easy: you don't have to worry about different contracts, and everything works as a whole. The office space is good and, if necessary, it is also possible to move to a larger space. A perfect concept for us."

Islet Group Ltd

At Technopolis your office space change is smooth and effortless

We have thought about every detail to make the process easy for you:
