OFFICE 49.5 M^2 | TECHNOPOLIS LINNANMAA

The price of the space is 1006 €/month + VAT, including rent, maintenance fee, electricity, cleaning, campus services, and a parking space.

A compact and practical office space is available for rent on the second floor of Technopolis Linnanmaa on Elektroniikkatie. The space consists of three separate office rooms. The office is located in a small office area near shared restrooms. The customer has access to shared break rooms and the Sampo conference room. The stated square footage contains a share of the common areas.

The Linnanmaa campus offers a wide range of services to its customers. There is a lunch restaurant serving a tasty lunch on weekdays, and a self-service kiosk where you can easily grab a snack. There are also three other restaurants within a short walking distance, so you'll have plenty of options for lunch. Small and large meeting and training rooms are available for a variety of meetings and training sessions, and the sauna area is the perfect place to relax at the end of the day.

The site is easily accessible by car and public transport, as the property is located on a motorway and there is ample parking on campus. Oulu city centre is only about a 10-minute drive away, and there is also an Ideapark and Prisma supermarket nearby.

Technopolis Linnanmaa

Are you looking for a location for your company where you can grow? Welcome to Oulu's largest office campus, where experts in different fields meet every day.

Office spaces in a community of thousands of professionals

The Linnanmaa campus offers flexible office spaces and is the place where Technopolis' story began. The campus is one of the world's first technology villages, and it is currently home to more than 250 companies. The campus is popular among companies in the security and defence industries, among others.

The popular Linnanmaa campus is located next to the University of Oulu, just a 10-minute drive from the city centre of Oulu. It is easy to get to the campus by bicycle, by bus and, in the winter, even by skiing via the nearby ski trail.

We'll adapt to your needs

Our high-quality office spaces adapt to your business needs: they can be designed to support hybrid working or collaboration, combined with a dedicated space, such as a production space, or fully tailored to your needs. Our in-house design team is at your service.

For small teams of up to 12 people, Technopolis Linnanmaa offers a popular HUB small office area where companies have their own office and shared services at their disposal.

Service highlights

Our customers appreciate the campus' comprehensive range of services. The services include a friendly reception, the city's widest range of facilities for meetings and training sessions, comfortable sauna facilities, excellent parking facilities for bicycles and cars and services for your own office space, such as cleaning. The campus also has a hair salon, a massage therapist and a dentist.

The campus has five high-quality lunch restaurants that offer options ranging from traditional Finnish dishes to international cuisine. The offering is complemented by the campus' cafés, self-service kiosks and high-quality catering services.
