Office spaces with great accessibility

Technopolis Ullevi offers flexible office spaces in Gothenburg's Gårda district. The campus, located right next to Ullevi Stadium, is known for its communal atmosphere and friendly customer service.

The campus is conveniently close to the E6, E45, and E20 highways, making it easily accessible by car. There are also bus and tram stops nearby, and the central railway station is just a 12-minute walk away.

We'll adapt to your needs

Our office spaces can be tailored to your needs: to support hybrid work, encourage collaboration, or be fully customized to meet your company's specific requirements. Our in-house design team is at your service.

For smaller teams of up to 8 people, Technopolis Ullevi offers a HUB area with four smaller offices and shared services.

Service highlights

The services on campus are highly appreciated by our customers. These include excellent parking facilities, a friendly reception, a cozy lounge, modern meeting rooms, a well-equipped gym, and dedicated services for your office space, such as cleaning.

There is also a coffee shop, and Restaurang Vällagat serves lunch on campus.
