Technopolis Kontinkangas

Welcome to your new office! At Kontinkangas, you'll be located near Oulu University Hospital and top experts in the field of well-being.

Office spaces in a hub of health technology

Technopolis Kontinkangas offers flexible office spaces for businesses that value a communal and innovative environment. The campus is a hub of the health, well-being and ICT sectors, where you can network and collaborate with up to 8,000 experts in those sectors.

The Kontinkangas campus is located in a prominent location next to Oulu University Hospital, just two kilometres from the city centre. The campus has good public transport links, and motorists can drive directly to the campus via the motorway. The illuminated advertising spots along the road will provide your business with visibility on the city's busiest route, which is taken by more than 50,000 motorists every day.

We'll adapt to your needs

Our high-quality office spaces adapt to your business needs: they can be designed to support hybrid working or collaboration, combined with a dedicated space, such as a laboratory, or fully tailored to your needs. Our in-house design team is at your service.

For small teams of up to 12 people, Technopolis Kontinkangas offers a popular and communal HUB small office area where companies have their own offices and shared services at their disposal.

Service highlights

Our customers appreciate the campus' wide range of services, including a professional and friendly reception, functional meeting rooms, excellent parking facilities for bicycles and cars, and services for their own office space, such as cleaning. The massage service on campus will help you to recover and relax at work.

The popular lunch restaurant Stone is known for its colourful and tasty buffet. In the summer, you can also have your lunch on Stone's pleasant roof terrace on the fourth floor of the building. The restaurant also offers catering services and a convenient self-service kiosk.

Read why the customers on this campus recommend us

"Everything runs smoothly and has been made easy for us as a company. When the setup works, we can stay focused on what really matters."

Kemira Plc

"Ease of use, familiar brand and reliability. It’s easy and worry-free, and, at least in Oulu, the rent was good value for money. We got everything we needed and asked for, and quickly."

Lapp Automaatio Ltd

"Technopolis communicated with us actively about everything related to the move. The relocation succeeded on a relatively tight schedule and we knew all the time what the status was. Service quality is outstanding and the campus location is ideal for us. Technopolis met our needs remarkably well."

Fingrid Plc
